## **About IISTE**

The International Institute for Science, Technology and Education (IISTE) is an independent organization delivering supports and services to education professionals and researchers around world, especially those from the developing countries.

## **History & Mission**

“Accelerating Global Knowledge Creation and Sharing”.

In partnership government, community organizations, and education related foundations, IISTE offers a variety of programs and activities to promote education development, international collaboration, including scientific publication, financial support for researchers and international academic projects (conference, workshops, educational consulting services etc).

IISTE has reviewer and consultant positions available for researchers and scientists. Applicants should have at least 3 years research experience in a scientific field.
